IMPACT Membership Scholarship Fund

Impact100 Newport County believes every woman should have the opportunity to experience the power of collective giving. Thanks to the generosity of our donors, we offer a limited number of Membership Scholarships each year.

If the $1,000 membership contribution is a barrier this year, you are invited to apply for a Membership Scholarship. If selected, you will contribute a $150 fee and the Membership Scholarship Fund will contribute $1,000, giving you full membership and voting privileges for one year.

Women receiving Membership Scholarship Funds are expected to actively participate in Impact100 Newport County by serving on a focus area, membership, or events committee, or otherwise contributing time and talents to the success and mission of our organization.

Membership Scholarship requests are reviewed by the Membership Scholarship Fund Committee in the order they are received. Because the number of Membership Scholarships is limited, submitting a request does not guarantee a scholarship will be available. We will make every effort to notify applicants of our decisions no later than two weeks after receipt of the Membership Scholarship Fund application by the Governance Chair. If selected, a recipient must complete a Membership Application and submit the $150 fee within two weeks of notification of the match. An application will be considered withdrawn if the membership application and financial contribution are not received in a timely manner.

Confidentiality: *Requests for Membership Scholarship Funds are treated confidentially. Impact100 Newport County will not disclose the names of members receiving a Membership Scholarship outside of the Membership Scholarship Funds Committee.*

Contact Anne Thompson for an application at governancechair@IMPACT100newportcounty.org.
