Purpose of the project (required)

Limit: 25 words

Define the need your project addresses.

Brief Project Description (required)

Limit: 100 words

List major activities, expected outcomes.

Alignment with Impact100 Newport County 's Goals (required)

Limit: 50 words

Explain how your proposal would align with Impact100 Newport County's goals of funding outstanding transformative and sustainable programs. Transformative change is the capacity to use the grant to fundamentally and boldly shift mission delivery in a way that is measurable and impactful. Sustainability is resilience and the capacity of long-term success without ongoing reliance on the grant.
